ATTRACTION OFFER LODGEMENT FORM

How to register your offer online

This form has been developed to guide you on how to get your latest offer uploaded onto the Tourism NSW, www.visitnsw.com site. The site has 222,000 visitors a month clicking on, looking for information to plan their holidays, and great offers that they can book, so it's a fantastic opportunity for any tourism operator, no matter what the size.

Before you can get your offer uploaded, we need to ensure that you can complete the following checklist:

- You have a listing on visitnsw.com via Get Connected. If you are not registered, you can do so at www.tourism.nsw.gov.au/getconnected and click on register
- You have a clear image of your product- inline with specifications listed below - see details below on 'Image Supply'
- You have supplied all the information requested on page 2

Image supply: If you are already present on www.visitnsw.com with an up-to-date image that you are happy with, then you do not need to supply an additional image. Any images you provide will replace existing images. Any images supplied need to relate to your whole listing, not just this particular offer.

Once you have filled out the form on page 2, all you need to do is email it direct to getconnected@tourism.nsw.gov.au . From there, a specialist consultant will process the offer and send it back to you for approval. At times they may contact you to confirm some of the information.

Please be aware that the information we process for you via this Online Offer Lodgement Form is purely for short term offers for individual campaigns. The management and maintenance of the information on your standard www.visitnsw.com listing will still need to be maintained by you, via GetConnected.
