

My Community Project

Have you got a great idea to improve Bellingen Shire? Your idea could receive funding through the My Community Project program.

Projects must benefit the community by supporting one of the six categories below:

- Accessible communities – make our community more inclusive
- Cultural communities – add to the cultural and artistic life of our community
- Healthy communities – support physical and mental wellbeing
- Liveable communities – improve local amenity and environment
- Revitalising communities – encourage social engagement and participation in public programs
- Safe communities – promote a safe and secure community

How does it work?

1. Choose a project
2. Find a project sponsor (e.g. Council, School, Charity, Local Aboriginal Land Council, Sports Club or Not for profit Organisation)
3. Lodge your application
4. Vote for your favourite project (via Service NSW)
5. Find out if your project was successful

Funding Limit: \$200,000

Closing Date: 2pm Wednesday 15th May 2020

Co-Contributions: Not required
