

Bellingen Launch:

Meet Your New
Energy Supplier:

YOU !

It's YOUR Energy Company™

COMMUNITY
OWNE
RENEWABLE
ENERGY

Opportunity:

Keep the profits from
YOUR electricity spend in
YOUR community

Take power over your future
– economic, social and
environmental.

Be part of a genuine change
movement.

Affect real, lasting change
for collective future.

What's in it for investors?

- Unique opportunity to participate in building Australia's first community owned renewable energy retail and installation business in the Northern Rivers Region
- Majority community owned (Northern Rivers)
- Constitution secures company objectives of environment and community benefit
- Profits returned to the community through combination of dividends and social benefit projects
- Direct and indirect jobs in the region
- Supporting innovation of on and off grid renewable technologies
