## FRRR ABC Heywire Youth Innovation Grants

This program will fund projects that implement or pilot one or more of the **seven ideas developed at the 2017 Regional Youth Summit**. The seven ideas are:

- Connecting with Indigenous culture
- Connecting new Australians to agriculture
- Encouraging schools to talk about mental health
- Raising awareness about healthy and unhealthy relationships
- Raising awareness about drugs
- Encouraging medical professionals to engage with their communities
- Inspiring disadvantaged youth to take their first steps towards success

Projects can be designed to suit individual communities, but must:

- Build community resilience
- Enhance environmental sustainability
- Foster cultural vibrancy
- Encourage lifelong education & training
- Strengthen the local economy
- Improve community health & social wellbeing

**Funding Limit:** \$10,000

**Closing Date:** Monday 14<sup>th</sup> May 2018

**Co-contributions:** Not required
